Sitting in a cafe at the bottom of West 23rd Street, in an upscale West Harlem enclave, the owner of the Red Lion Bar, the neighborhood's iconic dive bar, is talking about New York: "There's really not much there now. And I think for a city that is trying to create something new it's important that people are in the streets looking forward to new things.".. This weekend, the neighborhood bar where, just last year, hundreds of hip kids frolicked in the New Park Avenue playground will go dark for a couple of days. As part of their closing, the Red Lion and two others will hold their grand opening in October, when the borough's creative class, already having been busy on art projects and on creating their own new music and art projects, will finally get their chance to showcase what it took to produce their output. There will be some of the usual regulars and more newcomers to join the party, but the more notable newcomers will be many of those who have been there from the start, and have lived there—from "the original people," said the late music critic and poet James Joyce ("New Amsterdam is the only city that has kept its residents from leaving") to the city's last remaining barber, who moved back to the neighborhood with a suitcase stuffed full of cash in the early 1990s, and has since given it his home.. 3D War (2010) 12 movies, 37.1 MB 4 movies, 37.7 MB Black and White (2013) 8 movies, 37.6 MB 1 movie, 37.8 MB.
